All insurance matters from Statehood, 1889 until 1909 were handled by the State Auditor's Office. Chapter 12, Session Laws Eleventh Legislative Assembly, 1909, approved February 13, 1909, created the office of the Commissioner of Insurance, whereupon a Department of Insurance was formed.

Annual reports on Insurance were prepared and published by the State Auditor for the years 1906, 1907 and 1908 and subsequently by the Insurance Department.

April 9, 1888, appears to be the first record of a Fire Insurance Company formally admitted to Montana, then a Territory; the Fire Association of Philadelphia holds this honor.

The Northwest Mutual Life Ins. Co., Milwaukee, Wis., was admitted March 27, 1882. This is the first recorded date of a life company license.

UNAUTHORIZED INSURANCE

By

JOHN J. HOLMES

State Auditor and Commissioner of Insurance

REASONS WHY INSURANCE BY COMPANIES LICENSED IN MONTANA IS PREFERABLE TO INSURANCE OF COMPANIES NOT LICENSED IN THE STATE.

Non-admitted companies pay no fees or taxes into the State of Montana for the privilege of engaging in the business of insurance in this state.

The Insurance Department of this state has no supervision over the operations of non-admitted companies; neither does the Department have visitorial powers relative thereto.

The policies of non-admitted companies are not inspected or passed upon, in any manner, by the State Insurance Department.

Non-admitted companies may not legally maintain agents in this state. Such companies have no facilities for adjusting accrued claims, except through the media of the United States mails.

The Montana Insurance Department can be of no assistance whatsoever to an assured of a non-admitted insurance company where a dispute arises in a settlement of a claim.

The courts of the State of Montana cannot secure jurisdiction of non-admitted companies. This means an assured cannot sue such companies in the courts of the State of Montana.

The average non-admitted company claim is less than the amount as would give Federal Courts jurisdiction. This means that an assured must seek his legal remedies in the state courts of a foreign state.

A licensed company has licensed state agents, is under the supervision of the State Insurance Department, and may be sued in the courts of the State of Montana.

REMEMBER—When buying insurance you get just what you pay for. So-called "cheap policies" are limited in the extent of protection given the holder of the contract. It is one thing to pay \$3 for \$5,000 of insurance coverage, and quite another thing to collect \$5,000 on a \$3 policy.
